Anime programming:
Upon its launch,in the late 1990s and early 21st century, AXN broadcast several anime series,much of them in their original Japanese audio with English subtitles, both in the mornings and evenings, and held annual anime festivals around Southeast Asia. [3][4] Its anime programming would later be transferred onto Animax Asia in 2004, the preparations of which Sony had been planning since the late 1990s. [4] In the last quarter of 2010, selected anime programs from Animax Asiawhich is dubbed in English language audio both in the mornings and evenings. This feed is available in the Philippines territory only.
